

Crusher Tennis Academy at **SPORT FIT BOWIE**

A Health Club Like No Other **Robert Nuscher, PTR Pro**

At Crusher Tennis Academy, you will receive individualized instruction through a progressive tennis curriculum. Our goal is to improve every aspect of your game.

Our Promise: Each day will include work on serves, volleys, groundstrokes, and patterns of play. Through live ball drilling and point play, players will improve their mechanics, tactics, and mental toughness.

What is Crusher Academy? Crusher Academy is not a camp and not for beginners. We instruct and teach the modern game of tennis to develop a well-rounded player. Participants must be 10 to 21 years of age and have a few years of playing experience, with a UTR rating of 2.0 or higher, to be eligible for the Academy. Questions? Contact Robert Nuscher.
